The Additional Secretary to Government,

(Through the Deputy Commissioner, Tumkur District.)

Sir,

Subject:- Establishment of a weekly shandy at Garani Inam Village, Ittikadibbanhalli Hobli, Madhugiri Taluk.

With reference to the Law Secretary's letter No.L.11015 dated 8th May 1945 requesting to furnish the following particulars, I have the honour to state as follows:-

1) The Inamdar of the said village is the Chairman of the place and he himself is taking much interest regarding the establishment of a shandy at the place. The Inamdar and other Hissadars have given a statement before the Range Sanitary Inspector, Madhugiri on 21st July 1945 stating that they have no objection for the establishment of a shandy at the place without claiming any compensation or benefit from the District Board. As regards shade and water facilities, the shandy is proposed to be held in a tope which is 1/2 a furlong from the village, consisting of about 60 Hippe and Tamarind trees. There is a spring near by for supply of water for a period of 8 months during the year, and there is a drinking water well in the temple compound which is 1/2 a furlong from the tope.

2) The notification dated 18-12-1944 regarding the holding of a shandy was served on the Inamdars by the Range Sanitary Inspector, Madhugiri Range on 25-1-1945 and 22-7-1945 respectively.

3) A sketch showing the distance between the two places viz., Garani and Yelkur and other surrounding villages which will be benefitted by this shandy is herewith sent for your kind information.

In

In this connection, I write to state that Garani village having a population of about 1615 and being a very good commercial place, having 15 to 20 merchants' houses is a central place, for the surrounding villages.

Under the above circumstances, I am of opinion that Garani Village is a better place for the establishment of a shandy than Yelkur. I request you to kindly obtain sanction of Government at a very early date. The statements given by the Inamdar and others, notifications served on them and a sketch are herewith sent for kind reference and return after done with.

I have the honor to be,
